SOCIAL MEDIA MARKETING

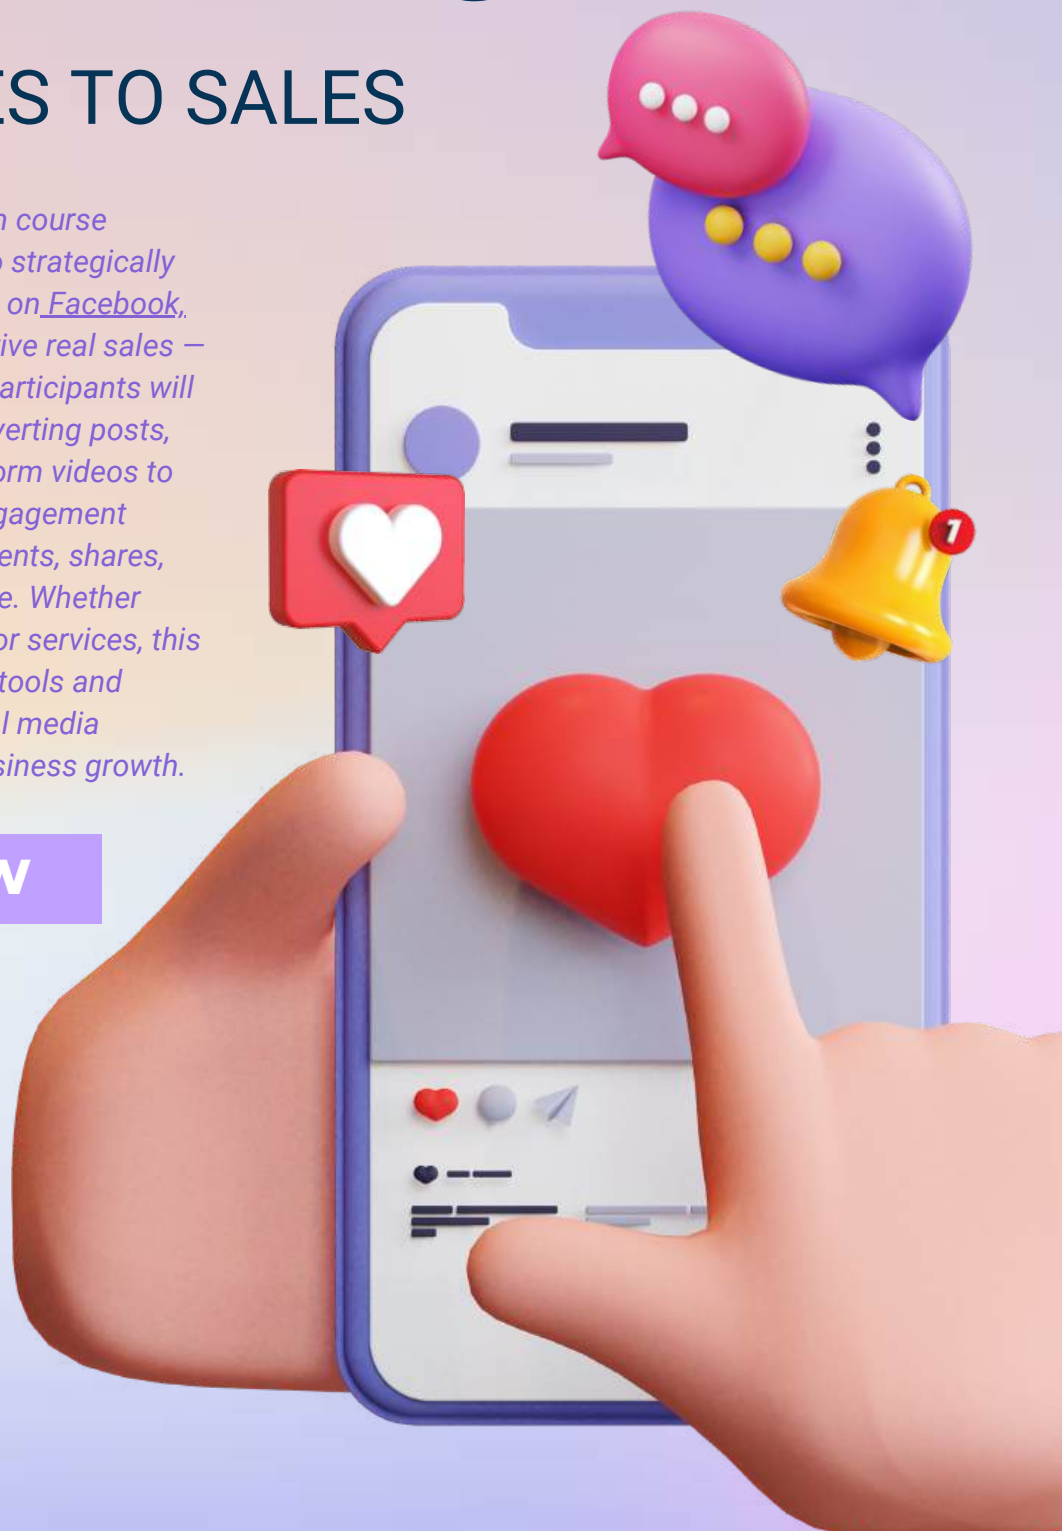

FROM LIKES TO SALES

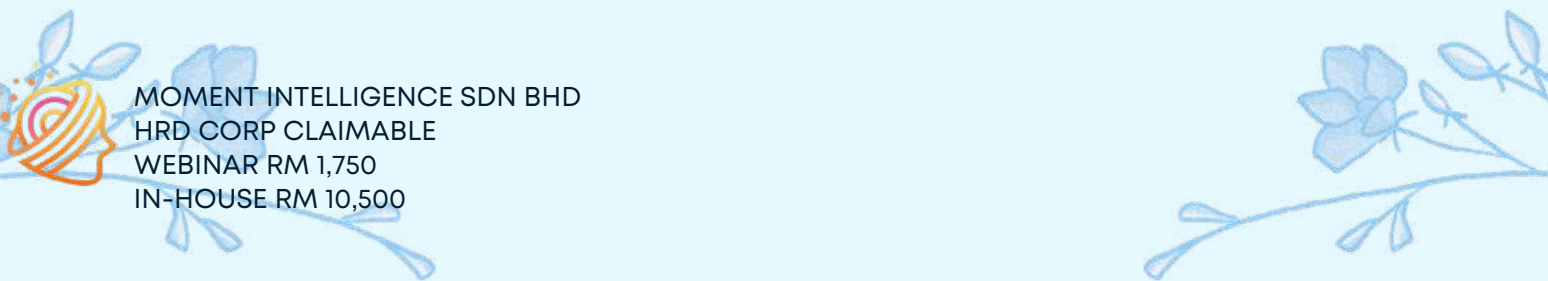

This practical, results-driven course teaches participants how to strategically create and manage content on Facebook, Instagram, and TikTok to drive real sales – not just likes and follows. Participants will learn how to craft high-converting posts, use storytelling and short-form videos to build trust, apply proven engagement techniques, and turn comments, shares, and DMs into actual revenue. Whether you're promoting products or services, this course equips you with the tools and techniques to convert social media presence into profitable business growth.

AUTHENTIC LEADERSHIP

BE THE LEADER OTHERS WANT TO FOLLOW

This impactful leadership course empowers participants to discover and develop their authentic leadership style — one that inspires trust, motivates action, and earns genuine respect. Instead of relying on authority or position, participants will learn how to lead through influence, self-awareness, clear communication, and emotional intelligence. Through real-world examples, interactive exercises, and personal reflection, this course equips leaders with the mindset and skills to become the kind of leader people choose to follow — not because they have to, but because they want to.
